# ABOUT

**Shorook Al Doha** Industrial Trading Company is one of Qatar's leading suppliers and stockists of Industrial Equipment, Construction Equipment, Dewatering Equipment, and Agricultural Machinery. Established in 2006, we have built a strong reputation for delivering high-quality products, reliable solutions, and exceptional customer service to customers across the construction, industrial, infrastructure, agricultural, and commercial sectors.

With nearly two decades of industry experience, we specialize in the sales, rental, and service of a comprehensive range of equipment and machinery designed to meet the diverse needs of our clients. Our product portfolio includes portable generators, dewatering pumps, water pumps, sprayer pumps, lawn mowers, agricultural machinery, concrete vibrators, plate compactors, rammers, concrete mixers, welding equipment, air compressors, power tools, and a wide range of industrial and construction equipment. By partnering with globally recognized brands, we ensure that our customers receive dependable products that deliver superior performance, durability, and efficiency in demanding working environments.

At Shorook Al Doha, we understand the importance of reliable equipment and responsive support for the success of every project. Our experienced team is dedicated to providing the right equipment, expert technical assistance, and cost-effective solutions tailored to each customer's requirements. Whether through equipment sales, rental services, or after-sales maintenance and repair support, we are committed to maximizing operational efficiency and minimizing downtime for our clients.

Quality, safety, and customer satisfaction are the foundations of our business. We are proud to be ISO 9001:2015 Certified, demonstrating our commitment to maintaining the highest standards of quality management, operational excellence, and continuous improvement. We are also ICV (In-Country Value) Certified, reflecting our dedication to supporting Qatar's economic growth, local value creation, and sustainable development initiatives.

Today, Shorook Al Doha Industrial Trading Company continues to be a trusted partner for businesses across Qatar, delivering reliable equipment solutions, professional service, and long-term value through our expertise in Industrial Equipment, Construction Equipment, Dewatering Solutions, and Agricultural Machinery, backed by comprehensive Sales, Rental, and Service support.
